**RE: ADDENDUM NO. 1**

**REQUEST FOR PROPOSAL  
FOR PRO SHOP AND SPORTS EQUIPMENT SERVICES WITHIN THE NEWLY  
EXPANDED QUINTE SPORTS AND WELLNESS CENTRE**

This Addendum No.1 forms part of the bid document and it **shall be signed and included with the bid submission.**

**8. SITE TOUR - CHANGE OF DATE**

Please note that the 'optional' site tour of the available space in the Quinte Sports and Wellness Centre has been changed **from Wednesday, February 1, 2012 at 1:00 p.m., local time to Friday, February 3, 2012 at 1:00 p.m., local time**

As this is an active construction site, all proponents are required to wear steel toe footwear and a construction hat to the 'optional' site tour.

Also, interested Proponents, if possible, should bring their own safety boots and hard helmets as the Multiplex site is still a construction site.

*Those under the age of eighteen (18) cannot be permitted on the construction site.*
